Rex A. Bastian, Ph.D.

Rex joined The Care of Trees in January of 1989 after receiving his Ph.D. from Iowa State University, majoring in Entomology. He is currently a semi-retired Regional Technical Advisor for The Davey Tree Expert Company/The Care of Trees, with emphasis on education and training, public relations and diagnostics. He is an ISA Board Certified Master Arborist and the recipient of the 2017 Award of Merit from the ISA.

Dr. Medhat Nasr

Dr. Medhat Nasr, is the Alberta Provincial Apiculturist. Crop Research and Extension Branch, Ministry of Alberta Agriculture and Forestry. He is Past President of Canadian Association of Professional Apiculturists (CAPA). He is in charge of implementing the Bee Act and Regulations. He leads a research and extension program that is focused on bee pest management, bio-security and bee health. He is the recipient of several awards for research and extension in Canada and USA.

Jay Woosaree PAg. (Distinguished Agrologist) is a senior Environmental and agricultural research scientist with over 30 years of experience in land stewardship including reclamation, remediation, native ecosystems restoration, environmental protocol testing and validation, technology development and aboriginal entrepreneurship. Jay retired from Alberta Innovates in 2016 and now leads his consulting company.
